

**Remarks**

This Amendment is submitted under the provisions of 37 CFR § 1.312 in response to the Notice of Allowance dated December 1, 2009 in which claims 1, 3-7, 9-13, and 15-18 were allowed.

This Rule 312 Amendment also requests minor changes to the specification. Regarding line 9 of page 5, this Amendment requests that “system” be change to “system 100”.

This Rule 312 Amendment also requests minor changes to claims 4 and 7. Regarding claim 4, this Amendment requests that “3” be changed to “1”. Regarding claim 7, this Amendment requests that “matrix. and” be changed to “matrix, and”. Moreover, regarding claim 7, this Amendment requests that “to generate” be changed to “generating”.

We respectfully request that the above specified changes of the specification and claims 4 and 7 be entered since it is a minor correction which improves the clarity of the claimed subject matter without altering the scope or direction of the claimed subject matter. Being minor in nature, the entry of this Rule 312 Amendment will not require a further search.

The changes requested by this Amendment were not requested prior to this Amendment because the Applicants did not notice the error until reviewing the allowed claims for the final time.

The Examiner is respectfully requested to call if the prosecution of the application can be expedited by so doing.

Respectfully submitted,

**Date: February 09, 2010**
